

Purse of the Month Club

Could you get excited about receiving a cute new purse each month? You will have a chance to do just that in the "Purse of the Month Club"! From July 1st to December 31st, you can earn a purse each month based on your wholesale orders or on your team building. How fun!! How does it work?

Each month, you can earn a purse in one of three different ways:

1. Place \$600 or more in wholesale orders during one calendar month. Orders may be cumulative. When you are working your business and place a \$600 order each month, you'll be tracking **Star Consultant** status—it's a win/win!!

OR

2. Recruit a new, qualified team member. That means her initial order must be \$600 or more and must be placed in the same month or the month following her agreement. You will receive the purse in the month her order goes in.

OR

3. Place \$200 or more in wholesale orders each month for three consecutive months.

Special bonus! If you earn a purse in at least five of the six months (July to December), you will receive an exciting New Year's gift—a special briefcase to begin 2010 in style!!!

Consultants may earn only one purse per month. There are no vouchers to complete—you'll receive a surprise purse automatically at our Success Meeting!

Get excited and get to work—it's purse time!!!!
